

THE AUTHORITY ON SOCIAL MEDIA FOR LAWYERS

*we focus solely on
social media marketing
for lawyers, by lawyers*

Ethan founded Social Media Law and Order to help attorneys generate more clients and attract more referrals using social media. As social media attorney, professor, and author of *The Social Media Guide for Lawyers*, Ethan understands the rules of the road for using social media for marketing in a manner that complies with the legal advertising ethics rules. Ethan has taught social media marketing to thousands of lawyers as a keynote speaker and accredited continuing education provider, and now leverages his experience to serve as an advisor to lawyers, law firms, and leaders in the legal community as they seek to achieve their desired business development goals on social media.
